

Household Chore Schedule & Rules:

Document Version: 1.0

Last Updated: July 9, 2025

This document outlines the chore schedule, rules, and assignments for the household. It is intended to be the single source of truth for all chore-related questions.

1. Household Members

There are four (4) members in the household. The official rotation order is as follows:

1. **Tanmay**
2. **Soham**
3. **Pranjul**
4. **Khushi**

The rotation is circular. After Khushi, the rotation returns to Tanmay.

2. Chore Descriptions and Rules

2.1. Weekly Rotating Chores

The following five (5) tasks are assigned once per week. The responsibility for each task rotates to the next person in the official rotation order each week.

- **Chore 1: Toilet & Sink Cleaning:**
 - **Description:** Clean the toilet seat and bowl, clean the bathroom sink, and replace the bathroom trash bag.
 - **Frequency:** Once per week.
- **Chore 2: Bathroom Floor & Bathtub Cleaning:**
 - **Description:** Clean the bathroom floor, dust the floor mat and clean the bathtub/shower area.
 - **Frequency:** Once per week.
- **Chore 3: Kitchen Foil & Platform Cleaning:**
 - **Description:** Clean the kitchen platform surfaces and replace the stove's aluminum foil.

- **Frequency:** Once per week.
- **Chore 4: Kitchen Floor Cleaning:**
 - **Description:** Sweep and mop the kitchen floor.
 - **Frequency:** Once per week.
- **Chore 5: Black Trash Can Disposal:**
 - **Description:** Take the large black trash can to the road for pickup.
 - **Frequency:** Every Tuesday night.

2.2. Recurring Kitchen Trash

- **Chore Name:** Kitchen Trash Disposal (Small Bin)
 - **Description:** Take out the small kitchen trash bin.
 - **Frequency:** This task occurs on a fixed 3-day cycle: **Monday, Thursday, and Sunday** of every week.
 - **Assignment Rule:** The assignment for this task rotates through the members for each occurrence.
-

Week 3	Sunday	Tanmay
Week 4	Monday	Soham
Week 4	Thursday	Pranjul
Week 4	Sunday	Khushi

5. Sample Questions and Answers (For LLM Training)

This section provides examples to help the AI agent understand how to answer questions based on the data in this document.

Question: "Whose turn is it to clean the bathroom floor in Week 3?"

Answer: In Week 3, it is Khushi's turn to clean the bathroom floor and bathtub.

Question: "When should the black trash can be taken out?"

Answer: The large black trash can should be taken to the road every Tuesday night.

Question: "Who is assigned to kitchen trash on Thursday of Week 2?"

Answer: On Thursday of Week 2, Tanmay is assigned to take out the kitchen trash.

Question: "Who is responsible for the kitchen floor in Week 4?"

Answer: Pranjul is responsible for cleaning the kitchen floor in Week 4.

Question: "Assuming it is currently Week 2, who did the toilet cleaning last week, and who is doing it next week?"

Answer: Last week (Week 1), Tanmay was responsible for toilet and sink cleaning. This week (Week 2), Soham is responsible. Next week (Week 3), Pranjul will be responsible.

Question: "List all of Tanmay's chores for Week 3."

Answer: In Week 3, Tanmay's chores are: Kitchen Foil & Platform Cleaning and Kitchen Trash Disposal on Sunday.
