

Household Chore Schedule & Rules:

Document Version: 6.0

Last Updated: 18th Aug, 2025

This document outlines the chore schedule, rules, and assignments for the household. It is intended to be the single source of truth for all chore-related questions.

1. Household Members

There are four (4) members in the household. The official rotation order is as follows:

1. **Tanmay**
2. **Soham**
3. **Pranjul**
4. **Ishika**

The rotation is circular. After Ishika, the rotation returns to Tanmay.

2. Chore Descriptions and Rules

2.1. Weekly Rotating Chores

The following five (5) tasks are assigned once per week. The responsibility for each task rotates to the next person in the official rotation order each week.

- **Chore 1: Toilet & Sink Cleaning:**
 - **Description:** Clean the toilet seat and bowl, clean the bathroom sink, and replace the bathroom trash bag.
 - **Frequency:** Once per week.
- **Chore 2: Bathroom Floor & Bathtub Cleaning:**
 - **Description:** Clean the bathroom floor, dust the floor mat and clean the bathtub/shower area.
 - **Frequency:** Once per week.
- **Chore 3: Kitchen Foil & Platform Cleaning:**
 - **Description:** Clean the kitchen platform surfaces and replace the stove's aluminum foil.

- **Frequency:** Once per week.
- **Chore 4: Kitchen Floor Cleaning:**
 - **Description:** Sweep and mop the kitchen floor.
 - **Frequency:** Once per week.
- **Chore 5: Black Trash Can Disposal:**
 - **Description:** Take the large black trash can to the road for pickup.
 - **Frequency:** Every Tuesday night.

2.2. Recurring Kitchen Trash

- **Chore Name:** Kitchen Trash Disposal (Small Bin)
 - **Description:** Take out the small kitchen trash bin.
 - **Frequency:** This task occurs on a fixed 3-day cycle: **Monday, Thursday, and Sunday** of every week.
 - **Assignment Rule:** The assignment for this task rotates through the members for each occurrence.
-

5. Sample Questions and Answers (For LLM Training)

This section provides examples to help the AI agent understand how to answer questions based on the data in this document.

Question: "Whose turn is it to clean the bathroom floor this week?"

Answer: Ishika is responsible for cleaning the bathroom floor and bathtub this week.

Question: "When should the black trash can be taken out?"

Answer: The large black trash can should be taken to the road every Tuesday night.

Question: "Who takes out kitchen trash today?" (assuming today is Thursday)

Answer: Tanmay takes out the kitchen trash today.

Question: "Who is responsible for the kitchen floor this week?"

Answer: Pranjul handles the kitchen floor cleaning this week.

Question: "Who did toilet cleaning last week and who's doing it next week?"

Answer: Last week, Tanmay was responsible for toilet and sink cleaning. This week Soham is handling it. Next week, Pranjul will take over.

Question: "What are Tanmay's chores this week?"

Answer: This week, Tanmay is responsible for Kitchen Foil & Platform Cleaning, and he also takes out the kitchen trash on Sunday.

Question: "Who cleans the kitchen today?"

Answer: If you're asking about cleaning the kitchen floor, Pranjul handles that this week. For kitchen trash, Tanmay takes it out today since it's Sunday.

Question: "What does Ishika need to do this week?"

Answer: Ishika is assigned to clean the toilet and sink this week.

Question: "Is it anyone's turn for bathroom cleaning today?"

Answer: Bathroom cleaning is a weekly chore. Soham is responsible for cleaning the bathroom floor and bathtub this week, so it can be done any day this week.

Question: "Who's taking out the big trash can this week?"

Answer: Soham is responsible for taking the black trash can to the road this Tuesday night.

Question: "List everyone's main chore this week."

Answer: This week's assignments are: Tanmay handles Kitchen Foil & Platform Cleaning, Soham does Bathroom Floor & Bathtub Cleaning, Pranjul takes care of Kitchen Floor Cleaning, and Ishika is responsible for Toilet & Sink Cleaning. Additionally, Soham takes out the black trash can on Tuesday.
